MOTHER'S DAY REMINDER

Flowers are lovely and always welcome but a unique gift from Rivers Gallery will last forever.

A wide variety of beautiful hand made jewellery always available. Beautifully shaped unusual or quirky, classic and contemporary brooches, earrings, necklaces, bangles and bracelets.

Maybe a studio glass perfume bottle or goblet, a ceramic bowls or vessel would be more suitable. A sculpture, a painting or an enamel or fused glass wall piece could be just the ticket.

Do come in and have a browse – you will be sure to find a very special gift.
